Budapest Quilt Studio opened in 2009. It was the first to offer professional long-arm quilting services on a Gammill Optimum plus longarm quilting machine. Budapest Quilt Studio follows the high standard of North Sea Quilters, The Netherlands, where I used to be in partnership with Leslie Carol Taylor and Marybeth Tawfik, until I moved to Hungary. Some of the quilts featured on this website are the results of our joint work, like "Little Amsterdam", which won the first prize at the European Quilt Championship in Waalre, 2007.

Budapest Quilt Studio is proud of the quality of the service it offers. In order to meet the customer's requirements best, I keep up with the last trends of the international quilting world. I have had workshops with international renown quilting teachers like Jan Wildeman, Beryl Cadman, Irena Bluhm Linda Taylor and Cathy Franks.

Budapest Quilt Studio also offers patchwork and quilting courses at request.
